ERRAZURIZ

VINOS DE FAMILIA DESDE 1870

GRAN RESERVA

Malbec 2024

ACONCAGUA REGION

VINTAGE NOTES

The 2024 season was marked by a cool spring and warm summer, leading to lower yields but outstanding quality Delayed phenological stages and reduced bunch weights contributed to a slow, balanced ripening, with fruit remaining in excellent condition throughout. Despite early setbacks and weather contrasts, the vintage delivered exceptional concentration, natural acidity, and fine tannins, making it a standout year for key red varieties.

WINEMAKING NOTES

The grapes were hand-picked in the morning, then inspected on a double sorting table, crushed, and placed in stainless steel tanks for fermentation. Maceration lasted 8 to 16 days. The wine was then aged for 12 months in French oak barrels, 20% of which were new.

TASTING NOTES

The Gran Reserva Malbec shows a cherry-red color with ruby edges. On the nose, it reveals floral notes reminiscent of lavender, underpinned by aromas of redcurrant, raspberry, and plum, seamlessly interwoven with ripe black fruits and hints of baked goods, like blueberry tart. On the palate, ripe black fruits and sweet spices such as licorice and a touch of cinnamon dominate, offering a fine balance between breadth and length. The wine features velvety, well-integrated tannins, vibrant acidity, and a juicy, lingering finish.

TECHNICAL INFORMATION

ALCOHOL: 13.5%

PH: 3.56

TOTAL ACIDITY: 5.78 g/L in tartaric acid

RESIDUAL SUGAR: 1.72 g/L

AGEING: 12 months in French oak barrels, 20% new
