ERRAZURIZ

VINOS DE FAMILIA DESDE 1870

GRAN RESERVA

Sauvignon Blanc 2026

ACONCAGUA REGION

VINTAGE NOTES

The season was marked by lower winter rainfall and was warmer than the historical average from start to finish, with vineyards showing very well-balanced vigour and yields 10% higher than the previous season. The fruit was exceptionally healthy, with good ripeness and average acidity. It was a season that demanded great focus in harvest decisions and in the logistics of the harvest itself.

WINEMAKING NOTES

The grapes were hand-picked in the early morning and carefully transported to the winery. The must was fermented in stainless steel tanks at temperatures between 14°C and 16°C for 21 days, before being gently filtered and bottled.

TASTING NOTES

The Gran Reserva Sauvignon Blanc 2026 displays a pale yellow colour with the greenish glints typical of a young white wine. The nose is expressive and intense, with citrus led by lime blending into a lively tropical profile of fresh pineapple, passion fruit, guava and white peach, alongside delicate orange blossom notes. The palate is fresh on entry, with marked acidity that puts the juicy tropical fruit centre stage, with hints of guava and a background of lime. A mineral sensation adds character and depth, while acidity and tension carry the wine through to a refreshing, persistent finish.

TECHNICAL INFORMATION

ALCOHOL: 12.5%

PH: 3.25

TOTAL ACIDITY: 6.36 g/L in tartaric acid

RESIDUAL SUGAR: 1.35 g/L
